

2018 Unity Select Sports Scholarship Assistance Request Form

Unity Select Sports provides registration fee scholarships to local athletes, who without this financial assistance would not otherwise be able to participate in our program. The Unity Scholarship Assistance program focuses on providing opportunities for our area youth to fully participate in football, basketball, track or cheer for the physical, mental, and character-training benefits that our program can provide. Scholarship assistance will be dependent upon the amount of funds available and the actual need shown.

Please be aware that our Unity Select Sports Financial Assistance Funds are limited! Our primary goal is to help as many young athletes participate at The U that we possibly can. Due to the large number of requests for assistance, and the limited amount of funds we have allocated for scholarships, we are asking those of you that can afford to utilize our option of monthly installments rather than receiving a scholarship to please do so. To make payment arrangements contact unityselectsports@gmail.com

Rather than offering full scholarships we would like to offer more partial scholarships to help out more families in need this season. Awards of assistance are NOT guaranteed to every applicant.

Requirements for eligibility:

1. Athlete must be age 13 or younger.
2. **Commitment to attend a minimum of 80% of scheduled practices and games.**
3. Participation by a family member in at least three (3) volunteer opportunities during the scholarship season.
4. Student must have at least a 2.0 (C) overall GPA on final report card.
5. Application must be completed by a parent, guardian, or head of household, with **all** requested information provided. (Incomplete applications will not be considered.)

Priority will be given to eligible youth meeting one or more of the criteria below:

- Member of a multi-child family.
- Living in a single parent home.
- Receiving assistance from programs such as: Food Stamps, Medicaid, SSI, Foster Care, WIC, etc. (Must provide written documentation of participation in these programs to receive priority status)
- Written recommendation by school representatives, social workers, youth community center workers, or other social services representatives.
